

On Wednesday, 9th July AECE organised the SENPower Multiplier Event, in Entroncamento, Portugal. All the teachers at the event got in touch and learnt about the SENPower methodology.

YOU CAN TEACH EVERYTHING TO EVERYONE

YOU CAN TEACH EVERYTHING TO EVERYONE

SEN POWER
PODEMOS ENSINAR TUDO A TODOS mas não da mesma forma nem no mesmo tempo

The students from Inclusica Project (to include with music) were also present and gave us a hand by demonstrating some plans. The audience could hear the testimonies of the teachers' who have been working on SENPower. Professor Nelson Santos, a SEN researcher, from ISEC and Lusófona University, also participated and praised all the professionals involved in the project by highlighting the importance of this work and the importance of the inclusive education.
